SAFETY & CLEANING INSTRUCTIONS

READ THE SAFETY INSTRUCTIONS CAREFULLY BEFORE USING YOUR BREAST EXAMINATION TRAINER

DO's

Follow all instructions. Keep these instructions. Heed all warnings.

To stop the insert from sticking to the inside of the skin pour a small amount of talcum powder into the recess of the breast skin.

Wear gloves at all times and remove all jewellery items. Sharp surfaces such as finger nails and rings can lead to damage of silicone parts.

Clean the product with a damp soft cloth or sponge, using only warm water with mild detergent, after every training session.

STORAGE & TRANSPORTATION

Always ensure that the products are properly packed and secured during transportation and storage in order to prevent personal injury or damage to the product.

DON'Ts

Do not install near any heat sources, do not expose the product to flames or use near naked flame sources. Do not use flammable solvents near or on this product.

Do not use any attachments other than those supplied by the manufacturer.

Do not wear any jewellery items.

Do not disassemble the product or attempt to repair a faulty unit, please return the product to Limbs & Things for assessment and repair.
